Hi fabulous ukulele player!!

I'm really excited to welcome you to another Ukulele Festival of Great Britain in Cheltenham. It's going to be another amazing weekend with players, teachers and students coming from all around the world for a very special few days of music, community, friendship and ukulele mayhem! It was an absolute joy seeing so many of you having fun in 2024 and I can't wait to do it again.

Here's your songbook for this year with a theme of something old, something new, something borrowed and something blue. I want to say a massive thank you to Terry Cox for all his work on the songbook and kindly running the brilliant big busk and mass jam.

May the sun shine and may you have a wonderful weekend in Cheltenham!
Let's uke!

Much love,
Matt

I got the blues for my baby down by the San Francisco Bay,
 (Where) the ocean liners, they aren't so far away.
 didn't mean to treat her so bad, she was the best girl ever have had,
 Said goodbye, had to take a cry, I wanna lay down and die.
 I ain't got a nickel and I ain't got a lousy dime.
 If she don't come back, I think I'm gonna lose my mind.
 If I ever get back to stay, it's gonna be another brand new day,
 Walkin' with my baby down by the San Francisco Bay.

(Kazoo/harmonica break) Chords as previous verse

Sittin' down lookin' from my back door, wondrin' which way to go,
 The woman I'm so crazy about, she don't love me no more.
 Think I'll catch me a freight train, 'cause I'm feelin' blue,
 I'll ride all the way to the end of the line, thinkin' only of you.
 Meanwhile, livin' in the city, thinkin' I'll go insane,
 Thought I heard my baby's voice, the way she used to call my name.
 If I ever get back to stay, it's gonna be another brand new day,
 Walkin' with my baby down by the San Francisco Bay, hey hey,

Lonnie Donnegan Medley - Various (Battle of New Orleans)

Rolling C

Well, in 1814, we took a little trip,
along with Colonel Packenham down the mighty Mississippi.
We took a little bacon and we took a little beans,
and we fought the bloo*** British in the town of New Orleans

Well, we fired our guns and the British kept a comin',
there wasn't nigh as many as there was a while ago.
We fired once more and they began a running,
on down the Mississippi to the Gulf of Mexico.

Well, we looked down the river till we see the British come,
there must have been a hundred of 'em beatin' on the drum.
They stepped so high and they made the bugles ring,
well we stood beside our cotton bales and never said a thing.

Chorus

Well, they ran through the briars and they ran through the
brambles,
and they ran through the bushes where the rabbits couldn't
go.
They ran so fast that the hounds couldn't catch 'em,
all down the Mississippi to the Gulf of Mexico.

(Does your chewing gum lose it's flavour)

Rolling C

Oh-me, oh-my, oh-you, Whatever shall I do

Hallelujah, the question is peculiar

I'd give a lot of dough, If only I could know

The answer to my question, Is it yes or is it no

Does your chewing gum lose its flavour, On the bedpost overnight
If your mother says don't chew it, Do you swallow it in spite?
Can you catch it on your tonsils?, Can you heave it left and right?
Does your chewing gum lose its flavour, On the bedpost overnight?

Here comes a blushing bride, The groom is by her side

Up to the altar Just as steady as Gibraltar

Why, the groom has got the ring, And it's such a pretty thing

But as he slips it on her finger, The choir begins to sing

Chorus

Now the nation rise as one, to send their only son

Up to the White House yes, the nation's only White House

To voice their discontent, unto the Pres-I-dent

They pose the burning question, that has swept that continent.

Chorus
